

## AP Biology Summer Assignment 2018

The textbook that we will use is Biology In Focus (AP Edition/2<sup>nd</sup> Edition) by Campbell. You will need to come by my classroom prior to the end of the school year to pick up your assigned textbook. If you sign up for AP Biology over the summer, you will need to come to school to pick up your textbook in time to complete the summer assignment.

### **Assignment:**

- Read Chapters 1 and 2 in textbook
- Complete Active Reading Guides for Chapters 1 and 2.
- Be prepared to take a test on this material on the second day of school.

Please feel free to contact me by email at [llewis@parrottacademy.org](mailto:llewis@parrottacademy.org) if you have any questions before the school year begins.
